____ I certify that on Judging Day – **Friday, October 19, 2018** - someone will be present at the project location between 9 am and 2 pm to allow judges access to the property. Because of the volume of properties that must be visited, the Chamber CANNOT give specific times.

I wish to enter the competition for the above property in the following categories. The fee for a single category is \$250; add \$50 for each additional category.

____ **EXTERIOR:** This category applies to the general design, construction and craftsmanship of the exterior of a residential or commercial structure. Exterior entries should be submitted by the architect for design and the builder for construction.

____ **INTERIOR:** This category applies to the general design, construction and craftsmanship of the interior of a residential or commercial structure. Interior entries should be submitted by the architect and interior designer for design and the builder for construction.

____ **INTERIOR DECORATING:** This category applies to interior decorating/design by creating beauty through the proper choice of color, lighting, as well as furniture selection and placement.

____ **OUTDOOR SPACE:** This category is a specialized award for outstanding design and/or decorating in an outdoor space. It recognizes the creation of beauty in an outdoor space through landscaping, color, lighting, furniture selection and placement, and other design elements that create a unique atmosphere in an exterior space.

____ **SPECIALTY CRAFTSMANSHIP:** This category applies to a particular element in a project, such as a handmade fireplace, staircase, stained-glass window, sculpture, mural or specific piece of art created for a residential or commercial project. The element must become an integral part of the structure. It is not for general craftsmanship, which is judged in the general interior or exterior entries. The craftsman/artist must show mastery of their craft, originality, and visual appeal.

GREEN BUILDING: This category applies to structures that have included the principles of green design. The entry is to include elements utilizing alternative energy sources, materials, and design features that contribute to natural sustainability.

SPECIAL DIRECTIONS FOR CHAIRMAN’S OR PRESIDENT’S AWARDS

FOR OWNER, BUILDER OR ARCHITECT:

For a property to be considered for a Chairman’s or President’s Award, at least one lead applicant - the architect, builder or owner – must check all three boxes below:

 This property is entered in these four categories: interior, exterior, interior decorating, and outdoor space.

 I certify that I am OR I have the permission of the architect (named below) to enter this competition.
