ULBERT 390

1998 KFPS Sport Stallion, Black, 16.2H

Ulbert 390 arrived at Iron Spring farm in 2007. He began the year by winning his first classes in Third Level test 2 & 3 at Dressage at Lexington with scores up to 67.4%. He continued this winning streak throughout the summer and finished the season as the CBLM Third Level Reserve Champion. Ulbert also made the step up to Fourth Level and won both tests with scores over 65%. In 2008 he begins showing Prix St. Georges.

Ulbert is the epitome of the modern dressage-type Friesian, with three fantastic gaits. His trot has incredible rhythm and power, and the walk and canter are excellent with good reach and power. His athletic ability is only matched by his incredible disposition, which he passes on to his get. He is very intelligent and trainable, and has a fantastic character and work ethic.

His son, Maurits 437, was approved in 2007 and more than 300 of Ulbert's offspring have been awarded 1st or 2nd premium at their keurings. Ulbert is known for passing on beautiful and noble heads with a good neck and sloping shoulder as well as good backs. He also throws jet black coats and abundant, beautiful hair.
